

Senior Nutrition Access Coupon

Available in Marathon County Only

The SNAC (Senior Nutrition Access Coupon) Program is a convenient Nutrition Program to help mobile people age 60 and older enjoy a well-balanced, nutritious meal. It also allows older adults a chance to socialize with others.

The SNAC Program offers more choice: who you dine with, time of day, & location. You can go to your local participating restaurant with friends or family and choose from a variety of choices identified on the SNAC approved menu. All you need to do is provide the participating restaurant with a valid SNAC Coupon.

The suggested donation is \$3.95 per coupon. Donations and requests for more coupons can be mailed to the ADRC-CW. No eligible person will be denied a meal due to inability to give a donation.
